

# SMART START DEALER

A Smart Option For Casual Business Builders

For those who wish to purchase DWG products at wholesale cost for personal use and share them with others in a more casual way, the Smart Start Dealer opportunity is the way to go

To take advantage of the Smart Start Dealer opportunity, a new Distributor must purchase the Complete Detail Kit for \$100.00US (\$80.00US/\$96.00CN wholesale) PLUS application fee at the time of Application. **This is the only time a distributor will have an opportunity to become a Smart Start Dealer.**

**The Smart Start Dealer Kit contains the following products:**

16 oz DWG ULTRA-ION™  
16 oz Tire Treatment  
16 oz Leather and Vinyl  
16 oz Fabric Treatment  
12 oz Metal Polish  
8 oz OxyGone®  
8 oz Dust B' Gone™  
1 ea The PUMP  
1 ea Buffing Towel  
1 ea Terry Cloth Towel

Additionally, the Smart Start Dealer qualifies for a \$20.00US/\$22.00CN discount on his/her Distributor Kit, paying just \$39.95US/\$52.95CN (rather than the regular price of \$59.95US/\$64.95CN).

S&H for the Smart Start Dealer Kit (including the Distributor Kit) is \$11.95US/\$14.00CN.

Now anyone can get into business as a Smart Start Dealer for just \$139.95US/\$152.95CN. That includes the complete Detail Kit, Distributor Kit and shipping and handling!

## WIN – WIN – WIN!

Everyone “wins” when a new distributor joins as a Smart Start Dealer.

### **New Distributor Advantage:**

Every Smart Start Dealer will begin their business with the Complete Detail Kit, in addition to receiving a generous discount on the Distributor Kit.

### **Sponsor Advantage:**

If you are a Smart Start Dealer, every time you sponsor a Smart Start Dealer who purchases the Complete Detail Kit at the time of his/her enrollment, you will receive a one-time commission of \$20US paid directly to you on a weekly basis!\*

### **Upline Advantage:**

When a new Distributor joins as a Smart Start Dealer, the first upline active Manager will receive a commission of \$10US and the first upline active Director earns a commission of \$10US. These commissions are paid monthly.

### **Breaking It Down**

#### **When a Smart Start Dealer Sponsors a Smart Start Dealer:**

The sponsoring Smart Start Dealer earns a direct commission of \$20US. This all new direct commission will be **paid weekly**, making it possible for you to **earn up to five checks a month** with DWG International™!

The first upline Manager earns an upline commission of \$10US (paid monthly), and the upline Director earns an upline commission of \$10US. If the first upline leader is a Director, he/she would earn the full upline commissions of \$20US.

#### **When a Manager Sponsors a Smart Start Dealer:**

The sponsoring Manager earns a direct commission of \$20US (paid weekly), plus an upline commission of \$10US (paid monthly), or \$30US total.

The upline Director earns an upline commission of \$10US (paid monthly).

#### **When a Director Sponsors a Smart Start Dealer:**

The sponsoring Director earns a direct commission of \$20US (paid weekly), plus an upline commission of \$20US (paid monthly), or \$40US TOTAL!

### **A Simply Smart Solution for Your DWG Business!**

The Smart Start Dealer Program offers the new dealer a smart way to get started in the business. Likewise, it provides the sponsor with a new direct commission that will be paid weekly! The Smart Start Dealer is a simple solution to helping everyone get started in the business. This provides you with an immediate source of income while you build your long-term residual income with DWG!

\* Direct commissions paid on Smart Start Dealer Kits is funded through a one-time reduction in backside commissions. Only Dealers who “Smart Start” can earn a check from DWG International™.
